Price: £6,995.00

Product Summary

- Year, Registration : 1994, M - Mileage : 58000 - Fuel : Petrol - Gearbox : Automatic - Body style : Convertible with removable hard top

Product Description

Recently had a major service with us., Upgrades - Alloy Wheels, Chrome front bumper and A bar with twin spot lights, Power steering, CD player, Fully removable hard top, Folding rear seats, 6 months warranty, 12 months MOT, Grey Cloth interior, Four wheel-drive, Black, This is a good example of a jeep yj just starting to show its age on the bonnet and wing tops where time has started to fade the paint work creating a great patina and giving the jeep great character. I have considered renovating this paint work but i much prefer this look, how ever if someone would like this renovated i would be more than willing to do it., The interior is in very good condition as is the hard top., Feel free to call Gavin or Steve 7 days a week
