Price: £7,995.00

Product Summary

- Year/ Registration : 1980/ X - Gearbox : Manual - Engine size : 1798cc - Fuel : Petrol - Body style : Convertible, softop

Product Description

A great British affordable classic car. In very good condition but we are not going to pretend that is perfect. A wonderful every day classic that doesn't cost the earth to maintain. One of only 420 convertibles made when the classic MGB's came to the end of their production in 1980. This example isn't quite original, it has had its interior changed from the original orange and brown to a more complimentary black interior and at some stage it has had its steering wheel tastefully upgraded to Mota Lita wooden and chrome steering wheel.
